

Q1: Is PCM mandatory to take admission in B.Sc. Computer Science in DU?

Chat Bot: Yes, for B.Sc. (Hons) Computer Science at most DU colleges, Physics, Chemistry, and Mathematics (PCM) in Class 12 is mandatory. Some colleges also accept students with PCM + Computer Science. A minimum of 45–50% aggregate (varies by college) is typically required. You will also need to appear for CUET with the relevant domain subjects.

Q2: Which DU colleges offer B.Com (Hons)?

Chat Bot: Several colleges under Delhi University offer B.Com (Hons), including Shri Ram College of Commerce (SRCC), Hindu College, Hansraj College, Lady Shri Ram College (for women), Kirori Mal College, and Dyal Singh College, among others. Admission is through CUET scores, and SRCC is considered the most competitive.

Q3: What is the fee structure for B.A. (Hons) Political Science in DU?

Chat Bot: The annual fee for B.A. (Hons) Political Science in DU government colleges is approximately ₹10,000–₹15,000 per year, which includes tuition, exam, and development fees. Fees vary slightly across colleges. Private minority institutions affiliated with DU may charge higher fees. SC/ST students are eligible for fee waivers under government schemes.

Q4: Can a Commerce student without Maths apply for BBA in DU?

Chat bot: Yes! Commerce students without Mathematics can apply for BBA at DU. The eligibility requires 60% aggregate in Class 12 from any stream (Science, Commerce, or Arts). However, you must appear for CUET and select General Test as your paper, since BBA does not require Mathematics as a domain subject.

Q5: What CUET subjects should I choose to apply for B.Sc. Physics (Hons)?

Chat bot: To apply for B.Sc. (Hons) Physics at DU through CUET, you should select: **Domain Subjects** — Physics and Mathematics (mandatory), and optionally Chemistry or Computer Science. You should also appear for the **General Test**. Make sure the subjects you choose align with what DU's specific colleges list as their CUET requirements for Physics Hons.

Q6: Is there a hostel facility available for girls in DU?

Chat bot: Yes, Delhi University has hostel facilities for girl students. Some notable options include the International Students' House for Women (ISHW), and individual colleges like Miranda House and Lady Shri Ram College have their own hostel facilities. Allotment is limited and merit/distance-based, so it's advisable to apply early through the college's official hostel portal.

Q11: Which colleges in DU offer B.Sc. (Hons) Botany?

Chat bot: B.Sc. (Hons) Botany is offered at colleges including Hansraj College, Miranda House, Gargi College, Ramjas College, Daulat Ram College, and Sri Venkateswara College. Eligibility requires PCB in Class 12 with a minimum aggregate (typically 50–55%). Admission is through CUET with Biology as a domain subject.

Q12: What is the reservation policy for OBC students in DU undergraduate admissions?

Chat bot: Delhi University follows the Central Government reservation policy. OBC (Non-Creamy Layer) students get 27% reservation in seats across all centrally funded colleges. OBC candidates typically receive a relaxation of 10% in the minimum eligibility cutoff. You must submit a valid OBC-NCL certificate issued by a competent authority at the time of admission.

Q13: What CUET subjects are required for B.A. (Hons) English in DU?

Chat bot: For B.A. (Hons) English at DU through CUET, you need to appear in **English (Domain Subject)** and the **General Test**. Mathematics or Science subjects are not required. It is open to students from any stream — Science, Commerce, or Arts — as long as you have studied English at the 12th level, which is almost universal.

Q14: What is CUET and is it mandatory for all DU admissions?

Chat bot: CUET (Common University Entrance Test) is a national-level entrance exam conducted by NTA for admissions to central universities including Delhi University. Yes, it is mandatory for all UG admissions at DU since 2022. Class 12 board marks are no longer the direct basis for admission — your CUET score determines eligibility. For PG admissions, CUET-PG is the equivalent exam.

Q15: How many times can I attempt CUET in a year?

Chat bot: CUET is conducted once a year, typically between May and June. You can appear for it every year if you are eligible (i.e., appearing in or having passed Class 12). There is no lifetime attempt limit — you can reattempt in subsequent years to improve your score. Your best CUET score from the current cycle is used for that year's admissions.

Q16: What is the difference between B.A. (Hons) Economics and B.A. (Prog) with Economics in DU?

Chat bot: B.A. (Hons) Economics is a specialised, depth-focused degree where Economics is your primary subject across all 3 years — ideal if you want to pursue M.A. Economics or research later. B.A. (Programme) with Economics is a more flexible, multi-disciplinary degree where you combine Economics with other subjects. Hons is generally more competitive and carries higher academic weight for postgraduate admissions.
